All these faces look the same  
But it's not you  
There is smoke but not flame  
No it's nothing like you  
All I want is to see some sign  
Maybe something to believe

Tell me I'm wrong  
Tell me you want me  
I can take anything  
You can lay it on me  
Lay it on me

Today is like the day before  
Without you  
Shadows lengthen on the floor  
Without you  
I am haunted by your sympathy  
Will you tell me what it means?

Tell me I'm wrong  
Tell me you want me  
I can take anything  
You can lay it on me

I can be strong  
If you don't want me  
Honesty is all I need  
Just lay it on me  
Just lay it on me

And I believe that faith would save us  
And time it heals  
Pain while it's still zeroing

Tell me I'm wrong  
Tell me you want me  
I can take anything  
You can lay it on me

I can be strong  
If you don't want me

Honesty is all I need  
Just lay it on me  
Just lay it on me  
Just lay it on me yeah  
Just lay it on me  
Just lay it on me  
Just lay it on me  
Just lay it on me
