"Stay Out"

August air, was a dare, put my shaking hand on your
nape
Pass the time, showed you my hand-me-down fake I.D.
You laughed out loud
Can't believe you snuck out

All I want is you (you, you)
All I want is you (you, you)
All I want is you to stay over

Bittersweet, kissing we, smoking that just to be cool
Your big sister's miniskirt and heels in a pile by the
swimming pool
Midnight, all our skin
Oh, we dive right in

All I want is you (you, you)
All I want is you (you, you)
All I want is you to stay over

Stay over
Stay
Stay
Come on
Stay
Stay
Seriously

We laugh out loud
I can't believe you snuck out for me

HEY!

All I want is you (you, you)
All I want is you, yeah (you, you)
All I want is you (you, you)
Oh, all I want is you to stay over

Stay over
Stay over
Stay over
Stay over
