Let the holy ghost fire burn all the bad people in town

You wanna jazz me  
But Jesus has me  
You wanna stop me, break and even drop me  
You try to bring me down  
But Jesus got my crown

You wanna gun me and overrun me  
They wanna spite me fight and even burn me  
They wanna tie me down to the ground

Chorus

They no no say with Jesus I dey kampe  
I dey Kampe e e

With the Holy Ghost fire (coming along the way)  
With the Holy Ghost fire (coming along the way)  
With the Holy Ghost fire (coming along the way)

Verse 2

He want to lure me and devour me  
But putting himself and his world before me  
He wants to take control, fishing for my soul

Oh no, na Jesus I go follow  
From today till tomorrow o  
E no go bring me sorrow

Chorus

[Rap]  
Odeishi me ma i no dey shake  
The lord on my side like rod i no fit break  
I dey kakaraka like Bagco super sack  
Na Jesus got my back when the devil attack  
Because i small you think say you fit make me fall  
I have a God who answereth by fire when i call  
Know this, i am a child of God for your notice  
And all you wicked souls you must av no peace

As i waka pass the valley of shadow of death  
I no go fear or even hold my breath or comot sweat  
You i dey warn don't try  
I am covered by the blood of Jesus till I die  
Why you think say you fit stop my shine (na lie)  
You think you fit stop me before my time  
Bros that Jazz as well e no go last  
With the holy ghost fire na you I go dey blast

With the Holy Ghost fire (coming along the way)  
With the Holy Ghost fire (coming along the way)  
With the Holy Ghost fire (coming along the way)
