"Midnight Stroll"

Just got off from work, it was awful late
I had to pass the cemetery gate
The sky was dark and the moon was bright
It was a very, very, cold, cold night
I never thought I could see such a sight
A poor soul doing the dead mans stroll

Just then I saw that gate and hall
Must have been going to a dead mans ball
May not believe it but it has to be told
A poor soul doing the dead mans stroll

The whole line!
I wasn't sure there, was nothing to trail
We went on strolling for miles and miles
Just before I
The last turn I was home
I was now doing the dead mans stroll

Bee-doo-bee-doo
Bee-doo-bee-doo
Bee-doo-bee-doo
