How can I just let you walk away,  
Just let you leave without a trace  
When I stand here taking every breath with you, ohoo  
You're the only one who really knew me at all

How can you just walk away from me,  
When all I can do is watch you leave  
'Cos we've shared the laughter and the pain,  
And even shared the tears  
You're the only one who really knew me at all

So take a look at me now,  
'Cos there's just an empty space  
And there's nothing left here to remind me,  
Just the memory of your face  
Take a look at me now,  
'Cos there's just an empty space  
And you coming back to me is against the odds  
And that's what I've got to face

I wish I could just make you turn around,  
Turn around and see me cry  
There's so much I need to say to you,  
So many reasons why  
You're the only one who really knew me at all

So take a look at me now,  
'Cos there's just an empty space  
And there's nothing left here to remind me,  
Just the memory of your face  
Take a look at me now,  
'Cos there's just an empty space  
But to wait for you, is all I can do  
And that's what I've got to face  
Take a good look at me now,  
'Cos I'll still be standing here  
And you coming back to me is against all odds  
It's the chance I've got to take, oh, oho

Just take a look at me now
