I saw you hanging on Saturday night  
You didn't even know I was there  
Holding her hand in the parking lot  
I know I shouldn't care

I wanna feel loved for a minute  
Don't wanna be taken to the limit  
But it feels like you keep pushing me there

*[Chorus:]*

Don't think that you're better than that  
Don't even think you're the only one on my map  
I know it's cool when you're there  
If you're playing a game then I swear  
In a heart beat  
I won't take you back

Don't think that I can't see it  
When you're looking at her  
It doesn't take a genius to know

That I wanna feel love when I'm around ta  
I wouldn't give up unless I found you

In the arms of someone else

*[Chorus:]*

Don't think that you're better than that  
Don't even think you're the only one on my map  
I know it's cool when you're there  
If you're playing a game then I swear  
In a heart beat  
I won't take you back

Even if you're begging on your kneews  
I'm not the kind of girl to be that weak  
Don't think I'm kidding  
(It feels like you keep pushing me there)

*[Chorus:]*

Don't think that you're better than that  
Don't even think you're the only one on my map

I know it's cool when you're there  
If you're playing a game then I swear  
In a heart beat  
I won't take you back
