Soon as I get over all of this
I thought that I would be your number one
I fall into a place where I've never been
I call but you never hear my way
You might be the best of anyone around
but I wish i was so over you

As soon as I are relieved from all this pain
I dreamt that I walked u down that way
I fall into a way I've never been
And your confused
Id give anything for you
You might the best of everyone around
but I wish I was over you
You might the best of anyone around
But I wish I was so over you
Im not over you (2)
But soon As I
