You can watch me on the Cover of a Rock-Magazine
IÂ´m a victim of success if you know what I mean

...oh Yeah

Can you see me rockin like a puppet on a string
With a diamond ring on my finger & two blonde girls by
my side
IÂ´m rockinÂ´and rollinÂ´like thunder, yeah, IÂ´m
ready to ride
And we ride and ride never feel down
Me and the boys town by town
Two for the business just one for the show
Come on Come on Come on Come on letÂ´'s go

(Chorus:)

This is a Tribute to Cliches and itÂ´'s all in one song
666 for Satan & a little bit of fun
If you want it all come on and get it now

When the show is all over yeah the jobÂ´'s well done
Back to the party and watch out for some fun

...oh yeah

The crowd so stupid but we donÂ´'t care
Give me more, give me more, give me more & more
I need two Eight Balls in my hand
Oh baby your balls - itÂ´'s driving me mad
Here I am call me superman
Antichrist or SatanÂ´'s fan
If you really think so Â´' Come on Come on Come on
Come on letÂ´'s go

(Chorus:)

This is a Tribute to Cliches and itÂ´'s all in one song
666 for Satan & a little bit of fun
If you want it all come on and get it now
