Shadows, I step into no man's land
I'm not in the mood to talk with you
I'm not in the mood to dance
Pictures, they're always coming back
It's hard to believe the words you say
The price you cannot pay

Why did you change your mind so quickly
You've got a lot of things to do
Have you really been so busy
I can't accept this bad excuse

Don't tell me that your love is gone
Don't tell me that your love is far away
Don't tell me that you hide your tears
The pain is stronger than the chance to be with me

Shadows, I step into no man's land
I'm not in the mood to talk with you
I'm not in the mood to dance

Why did you change your mind so quickly
You've got a lot of things to do
Have you really been so busy
I can't accept this bad excuse

Don't tell me that your love is gone
Don't tell me that your love is far away
Don't tell me that you hide your tears
The pain is stronger than the chance to be with me
