Hey good looking boy with your shiny greasy hair
I know when you hit the scene, all the people stop
talking & stare
You look so cool you smell so good Yes you do
But don't you know you're just a fool
The sky is completely packed with stars like you
Shining bright for a little while, yes that's true
But then you fall down, down to the ground
Just another boy in disguise cold as ice

(Chorus:)

Rock'n'Roll is dead
And I don't wanna be the next Mike Ness copy

When you walk through the door, you're a hero for
sure
But it doesn't mean anything to me
You're just an empty lie, just a dayfly
That's all I can see
Attitude means Action
It's not just a fashion parade
For someone else you're the attraction baby
But for me you're just a fake

(Chorus:)

Rock'n'Roll is dead
And I don't wanna be the next Mike Ness copy
