Pictures on my body Â Remember the past  
Good times so funny Â We never wanted to took the  
rest  
We always looked for some action Â the drugs  
promised fun  
To much SPEED along the line Â Made me paranoid Â  
And not that iÂ´ll be strong

(Chorus:)

Got no excuse for all the things IÂ´ve done  
The only reason was fun Â fun Â fun  
Got no excuse for every mistake  
And now it is too late

We tried to smash the system Â We needed riot at all  
We went to a lot of demonstrations Â Till everybody  
could hear our call  
I had sympathy for terrorism Â I felt like a red  
I believed in a lot of ideas Â And in my heart - PunkÂ´  
s still not dead

And now is too late Â No! ItÂ´  
s never too late

Now youÂ´re sleeping your days away  
There is nothing more to say  
My YesterdayÂ´  
s Heroes Â The old farts of today

Take your age as a lame excuse  
Call all the other guys Yesterdays Fools  
But youÂ´re the fool, youÂ´re the one Â Remember the  
things youÂ´re done  
When you were young
