We were both young when I first saw you  
I close my eyes  
And the flashback starts  
You're standing there  
On a balcony in summer air

See the lights,  
See the party the ball gowns  
I see you make your way through the crowd  
And say hello  
Little did you know

That I was Romeo I was throwing pebbles  
And your daddy said stay away from Juliet  
Yet you were crying on the staircase  
Begging me please don't go, and you said

Romeo take me somewhere we can be alone  
I'll be waiting all there's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story baby just say yes

So I sneak out to the garden to see you  
We keep quiet cause we're dead if they knew  
So close your eyes  
Escape this town for a little while  
Yeah I was romeo you were a scarlet letter  
And your daddy said stay away from Juliet  
Yet you were everything to me  
And I was begging you please don't go and you said

Romeo take me somewhere we can be alone  
I'll be waiting all there's left to do is run  
You'll be the prince I'll be the princess  
It's a love story baby just say yes

Romeo save me, they're tryin' to tell me how to feel  
This love is difficult, but it's real,  
Don't be afraid  
We'll make it out of this mess  
It's a love story baby just say yes, oh

I got tired of waiting  
Wondering if you would ever coming around  
My faith in you was fading  
When I met you on the outskirts to town you said

Romeo save me I've been feeling so alone  
I keep waiting for you but you never come  
Is this in my head, I don't know what to think  
I knelt to the ground and pulled out a ring

And said

Marry me Juliet you'll never have to be alone  
I love you and that's all I really know  
I talked to your dad go pick out a white dress  
It's a love story baby just say yes

Oh, oh, oh

Oh, oh, oh, oh

Cause we were both young when I first saw you
