I can't leave this apartment
I don't know where to go
You can see how I feel
It doesn't matter it was my only home

Chorus:

It's over now
The best time of my life
Yet you see, I know you're already over me
Time flies when you're having fun
I don't care you're a loner
I just want you in my arms

Maybe when I reach forty
I'll know just what you meant
I'll be there still waiting
For your love to come back
But you won't come back

Chorus:

It's over now
The best time of my life
Yet you see, I know you're already over me
Time flies when you're having fun
I don't care you're a loner
I just want you in my arms

It's 10:40pm
Where have you gone?
I need you here in my arms
Why would you want to throw it all away?
Nothing went wrong
You said you just couldn't stay

Chorus:

It's over now
The best time of my life
Yet you see, I know you're already over me
Time flies when you're having fun
I don't care you're a loner
I just want you in my arms
