I can't leave this apartment  
I don't know where to go  
You can see how I feel  
It doesn't matter it was my only home

Chorus:

It's over now  
The best time of my life  
Yet you see, I know you're already over me  
Time flies when you're having fun  
I don't care you're a loner  
I just want you in my arms

Maybe when I reach forty  
I'll know just what you meant  
I'll be there still waiting  
For your love to come back  
But you won't come back

Chorus:

It's over now  
The best time of my life

Yet you see, I know you're already over me  
Time flies when you're having fun  
I don't care you're a loner  
I just want you in my arms

It's 10:40pm  
Where have you gone?  
I need you here in my arms  
Why would you want to throw it all away?  
Nothing went wrong  
You said you just couldn't stay

Chorus:

It's over now  
The best time of my life  
Yet you see, I know you're already over me  
Time flies when you're having fun  
I don't care you're a loner  
I just want you in my arms
