I woke up this morning
Thinking what to wear
Don't know if I should be me
I'm a little scared

The truth hides deep inside
What am I to say?
The past is left behind
And I don't want to explain

I don't think you can see me
Believe when I say
One day I am restless
At night I'm awake

You never believe me
So it's hard to explain
My soul has been captured
I hide in my pain

Cos I'm no angel
I have two faces
I put one on for you
Put one on for me
These angels and demons won't set me free

What do you expect of me
To know who I am?
These scars run deep inside
They don't have an end

You know I have secrets
Yet you seem to deny
You know you can't change me
Won't put up a fight

Maybe when I'm ready
I'll say how I feel
Heaven cannot find me
I don't know what's real

We find our own pleasure

Keeping to ourselves
My mind is a maze
Pandora and hell

Cos I'm no angel
I have two faces
I put one on for you
Put one on for me
These angels and demons won't set me free

Are you surprised
Of all my lies
I confuse myself
And I don't care to deny

That I'm no angel
I have two faces
I put one on for you
Put one on for me
These angels and demons won't set me free
