Let Me Go

In this lost world
There's no hope with misery
What should I do
Should we meet unexpectedly?

How can I speak?
What can I say?
How do I face
This cruel game?

Let me go
We're over now
Don't you see? We're history,
A memory, not fantasy
And I don't need you in my dreams

If only by chance
We should meet
Would you talk to me?
Or ignore me completely?

What would you do?
What would you say?
Would everything still
Be the same?
