When you feel as though it corners through your brain,
Don't ask why.
Until you're mine.
Feel everything accessible is mine,
It's like a hurricane in your soul.
And you notice that the others say goodbye,
So turn your eye.
Feel your own.
Cause there you'll go around
And around and around

So she said I'll come around.
Dreaming this is never found.
Time is moving on.
What I decide is better than,
Memories felt through my head.
And I am so alive!

Where did all the days go when I dream?
My machine, and I feel.
That everything in front of me is gone.
It's like you feel the same, when you're alone.
And you know that I don't think that we should stay,
shift your eyes into his own.
Cause there you'll go round,
Around and around
and around and round.

So she said I'll come around.
Dreaming this is never found.
Time is moving on.

Time is moving on.

What I decide is better than,
Memories felt through my head.
And I am so alive!

I am so alive!

So she said I'll come around.
Dreaming this is never found.

Time is moving on.
What I decide is better than,
Memories felt through my head.
And I am so alive!

We've got to shout it out now!
Shout it out now! Shout it out now!
Shout it out now! Shout it out now!

You commend my dreams,
And take me home.
Yeah!
