Do you know it's always like you
To see the cruel feeling inside of me
Is it so hard to believe what you do to me?
Cause many times I think that there'll be no one else
I hope time will heal it so
But more than ever it's what I want to believe
[Chorus]
Whoa-oh-whoa-oh, I need you
Whoa-oh-whoa-oh, I do
Whoa-oh-whoa-oh, I need you now
But I know I'd be a fool to go back to you
But many times I have tried to run away
To overlook every word you say
Is it so hard to believe what you do to me?
And I can't help it I get sentimental
Each and every bone that drive me mad, oh
I know it's the way you'll always be
Whoa-oh-whoa-oh, I need you
Whoa-oh-whoa-oh, I do [x a lot]
