Well, I'm goin' out west where I belong
Where the days are short and the nights are long
Where they walk and I'll walk
They twist and I'll twist
They shimmy and I'll shimmy
They fly and I'll fly
Well they're out there a'havin' fun
In that warm California sun.

Well, I'm goin' out west out on the coast
Where the California girls are really the most
Where they walk and I'll walk
They twist and I'll twist
They shimmy and I'll shimmy
They fly and I'll fly
Well they're out there a'havin' fun
In that warm California sun.

(24-second instrumental interlude)

Well the girls are frisky in old 'Frisco
A pretty little chick wherever you go
A-a-and they'll walk and I'll walk
They'll twist and I'll twist
They'll shimmy and I'll shimmy
They'll fly and I'll fly
Well they're out there a'havin' fun
In that warm California sun

Yeah they're out there a'havin' fun
In that warm California sun
