Some people like to rock, some people like to roll
But movin' and a-groovin's gonna satisfy my soul

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight

I never kissed a bear, I never kissed a goon
But I can shake a chicken in the middle of the room

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight

Well Honky Tonky Joe
Is knockin' at the door
Bring him in and fill him up
And set him on the floor

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight

The meat is on the stove, the breads are gettin' hot
Everybody gonna taste what ma puts in the pot

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight

Well Honky Tonky Joe
Is knockin' at the door
Bring him in and fill him up
And set him on the floor

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more

Let's have a party tonight

Some people like to rock, some people like to roll
But movin' and a-groovin's gonna satisfy my soul

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight

I never kissed a bear, I never kissed a goon
But I can shake a chicken in the middle of the room

Let's have a party, whooo!
Let's have a party
Let's head up to the store, let's buy some more
Let's have a party tonight
Let's have a party tonight
Let's have a party tonight
Gonna have a party tonight
