Been on the road now for seventeen days
Cold turkey, honey, that's a long time away
Un, un-un, but I'm holdin out for homegrown

Redheads and dead heads, and debutants
Say they can hook me up with what I want
But, Un, un, I'm holdin out for homegrown
Yeah

High on the hill, high in the thicket
Sweet little Jamie singin with the crickets
Dancin on her front porch
Nothin but her cotton dress on
Hey, I'm holdin out for homegrown

Them city girls is pretty when they smile
But there aint nothin like a love goin wild
Un-un (un-un) I'm holdin out for homegrown
(homegrown)

Yeah, out on the road a man can find a fix
But I've got the good stuff back in the sticks
Un, un-un (un, un-un) and I'm holdin out for
homegrown
Yeah

High on the hill, high in the thicket
Sweet little Jamie singin with the crickets
Dancin on her front porch
Nothin but her cotton dress on
Hey, I'm holdin out for homegrown

Little honey, right on the money
Get my head start to spinnin and my heart feel funny
She's got the cutie, that magic power
Aint nothin sweeter then my wildwood flower

High on the hill, high in the thicket
Sweet little Jamie singin with the crickets
Dancin on her front porch
Nothin but her cotton dress on

Hey, hey, I'm holdin out for home
Holdin out for homegrown

Yeah, yeah, yeah-ah
