There was a time I said I loved you  
A time I thought you cared  
A time when things were flowing  
But now I'm lost for words

I tried so hard to understand  
In silence and emotion  
You take my smiles away from me  
With your careless notions

Will you bring me down?  
Will you lift me up?  
Will you lift me up?

I want to be me  
When the night is fading  
Morning's waking

Didn't do what you were supposed to  
Do when you said you would do  
Holding on while all along  
I was scared to say goodbye

Those days have gone  
The time has come now  
For me to draw the line  
My mind is made up, baby  
I won't play your game

I want to be me  
When the night is fading  
Morning's waking

Will you bring me down?  
Will you lift me up?

I wanna be me
