"K I L L I N G"

Visit "[KILLING](#)" on MotoLyrics.com

I'm like a psychobilly madman sitting on a tree!
K I L L I N G!
Like a rockabilly zombie on a killing spree
K I L L I N G!

I love to watch you bleed
I love to hear you scream
Twisting, churning, smash your spleen.
Everybody hides from the death machine
K I L L I N G!

Solo!

Like a pair of hell hounds from the depths below!
K I L L I N G!
Like a runaway train, next stop, DEATH ROW
K I L L I N G

I want to see them bleed
And, I need to hear them scream
Twisting, churning, smash your spleen.
Everybody runs from the death machine
K I L L I N G!

Solo

Â... And to see them on their knees!
I love to hear them scream
Twisting, churning, smash your spleen.
Everybody hides from the death machine
K I L L I N G!
