Heading out city limits  
Past the lights  
Think of the years  
All my life  
I've been here  
But they don't know me anymore  
Not a sound I know  
I'm fine, while i hear static on the radio  
Colors in stereo  
It's now clearer  
Thoughts are focusing  
Things are better, and softer  
Words, mean more, much more to me  
They ask about me like they care  
I'm just a novelty  
They're not like me  
Driving faster, 45  
Still not a sound  
Their grip is looser now,  
Much looser now i know I'm fine, with static on the radio  
I'm gone
