Love the way you walk  
Love the way you talk  
I'm a sucker when I look in your eyes  
You got me  
Got me where you want me  
You got me  
You want me-you got me

Ouch-  
Really hurts  
Everytime  
See you flirt  
Don't stop

Keep it goin'  
You get me up  
And you know it

CHORUS

Wait a minute  
Before you go  
One more thing  
You gotta know  
I'm ready  
No doubt about it  
You want love  
Well I got it

CHORUS
