Something about you makes me want to keep on loving
you.

When I'm without you, I feel I need you back in my
heart.

I get a sensation I feel whenever I'm around you,
You're my insperation and I'm so glad I found you.

Chorus

One in a million, baby you're the one
One in a million, and you're second to none
One in a million, a million to one
You're one in a million

When I first saw you I had a feeling right from the start,
In love I was falling, you seemed to do things to my
heart

Your love and affection is all I need to keep me
satisfied,

You leave an impression and baby I never want to leave
you

Chorus

Something about you, makes me want to keep on
loving you,

When I'm without you I feel I need you back in my heart.

I get a sensation I feel whenever I'm around you,
You're my insperation and I'm so glad I found you.

Chorus

You're one in a million
One in a million and you're second to none
One in a million, WOW! one in a million
Baby you know you are ooonnnee
