You know you look a little lonely,  
Well, I can keep you company.  
You want to make it with somebody,  
Well baby, won't you make it with me?

Ch:  
I wanna have a good time,  
It's all right!  
Baby whatcha doin later on tonight?  
I wanna rock you up!  
Rock you up!  
Rock you up!  
Rock you up!

You wanna do a little dancin?  
Well, music never let you down.  
But if you're ready for romancing,  
Well, honey better hang around!

I wanna have a good time?  
It's all right!  
Baby whatcha doin later on tonight?  
I wanna rock you up!  
Rock you up!  
Rock you up!  
Rock you up!

You know you look a little lonely,  
Well, I can keep you company.  
When I see you move your little body,  
Well don't you know you put me in heat?

I wanna have a good time,  
It's all right!  
Baby whatcha doin later on tonight?  
I wanna rock you up!  
Rock you up!  
Rock you up!  
Rock you up!  
I wanna rock you up!  
Rock you up!  
Rock you up!

Rock you up!  
I wanna rock you up!  
Rock you up!  
Rock you up!  
Rock you up!
