I'm so into you  
I have to let you know  
You make me so hot  
Need to get out these clothes  
I've been hiding too long  
Your advantage is way too strong  
I've got the vibe  
I can't deny  
You got me hooked  
That's what I like

Releasing all control  
Saying things I never told anyone before  
Look at what why'd you got my door so real  
You shattered my defenses  
I don't know what you did to me  
I just know I wanna be

Exposed  
Want you to see everything  
Nothing covering me (Oh)  
With you I wanna be exposed  
No need for turning the lights out  
I'm taking of right now  
I want to be exposed!

Exposed  
Exposed  
Exposed  
Exposed (Exposed)  
Exposed (Exposed)  
Exposed (Exposed)

I just fall apart  
When I feel you touching me  
You came and tagged my heart  
Like we're playing release  
Don't know what I was waiting for  
Love you kept giving me more  
I've got the vibe  
I can't deny  
You got me hooked

That's what I like

Was so uncomfortable  
Wearing my emotions so tight against my skin  
Wouldn't let nobody in my world  
Don't know how you brought the chain to set me free  
Don't care what you do to me  
Tonight I wanna be

Exposed (Exposed)  
Want you to see everything  
Nothing covering me (No)  
With you I wanna be exposed (Exposed)  
No need for turning the lights out  
I'm taking of right now  
I want to be exposed!

Exposed  
Exposed  
Exposed (Oh)  
Exposed  
Exposed  
Exposed (Oh)

I'm wearing too much  
I've gotta take it off  
Want you to take it off  
Expose me  
The spotlights on my love  
It's making me too hot  
Take everything off  
Expose me

Ooh-ooh  
Ooh  
Ooh  
Expose me  
Aah-ah  
Ah  
Expose Me

(Oh) Exposed  
(Oh) Exposed  
(Oh) Exposed

Exposed (Oh)  
Want you to see everything  
Nothing covering me  
With you I wanna be exposed (Exposed)  
No need for turning the lights out  
I'm taking of right now

I want to be  
Exposed (I wanna be)  
Want you to see everything (Want you to see)  
Nothing covering me (Nothing covering me)  
With you I wanna be exposed (Oh, exposed!)  
No need for turning the lights out  
I'm taking of right now  
I want to be exposed!  
Want you to see everything  
Nothing covering me  
With you I wanna be exposed  
No need for turning the lights out  
I'm taking of right now  
I want to be expose-oh  
Oh  
Oh
