Tell meh what's it gonna be this time,
Say that I was just a fool to believe u were mine,
Cannot imagine life without u by my side,
And it's killing my heart,
Cuz I wish I knew why,
Why would u do me this way,
When I love u,
Baby,

I believed what u said,
But love doesn't have a meaning,
When u hurt me so bad,
Just threw it all away,
U knew I was scared,
To once more let u get that close to me,
Despite what u did I believed,

U said it was gonna be for real this time,
U said u were gonna make it up to me,
And everything will be fine,
Never thought that I would have to let u go this way,
Should've followed my heart,
But I fell for the game,
Life just would not be the same without u,
Baby,

I believed what u said,
But love doesn't have a meaning,
When u hurt me so bad,
Just threw it all away,
U knew I was scared,
To once more let u get that close to me,
Despite what u did I believed,

Now what do I say,
It was u,
U that made that choice to walk away,
But now,
Love will come my way,
Again,
I don't wanna hear ya sorry,
Cuz u know we have reached the end,

I believed what u said,
But love doesn't have a meaning,
When u hurt me so bad,
Just threw it all away,
U knew I was scared,
To once more let u get that close to me,
Despite what u did I believed,

Ha... I believed...
