I'm lost in love
I'm lost in love (In love)
Ooh

I'm out of control
I'm losing the fight
I'm trying to get you out of my mind
I gotta let go
Not ready to try
Your kiss is the reason why I'm

Lost in love
Baby I don't wanna give you up
Won't you come and find me
Cos I'm lost in love
Just say goodbye
Your asking way too much
Boy I'm so lost in love

I'm lost in love
I'm lost in love
I'm lost in love
In love (In love)
I'm lost in love
I'm lost in love (I'm lost in love)
I'm lost in love
In love

It's making me sick that you found a girl
How could you erase me from your world
But your gonna see
See that I was the one
Baby look at me
Deal with the done

Now I'm lost in love
Baby I don't wanna give you up (Don't wanna, no no)
Won't you come and find me
Cos I'm lost in love (Lost in love)
Just say goodbye
Your asking way too much
Boy I'm so lost in love (Lost in love)

Lost in love (Don't wanna give!)
Baby I don't wanna give you up (You up)
Won't you come and find me (Find me baby)
Cos I'm lost in love (Yeah)
Just say goodbye
Your asking way too much
Boy I'm so lost in love (Lost in love)

I can't live without your love
One more kiss
One more touch
I can't live without your love
One more kiss
One more touch!

Lost in love
And I don't wanna give you up (Ooh)
Won't you come and find me cos I'm
Lost in love
To say goodbye your asking way too much
Boy I'm so lost in (Boy I'm going crazy cos I'm)

Lost in love
Baby I don't wanna give you up (You up)
Won't you come and find me
Cos I'm lost in love (Love)
Just say goodbye
Your asking way too much
Boy I'm so lost in love

Lost in love (Don't wanna give!)
Baby I don't wanna give you up (You up)
Won't you come and find me (No)
Cos I'm lost in love
Just say goodbye
Your asking way too much
Boy I'm so lost in

Now I'm lost in love
I'm lost in love
I'm lost in love
I'm lost in love
Won't you come and find me cos I'm lost in love
I'm lost in love
I'm lost in love
I'm lost in love
Boy I'm so lost in love

I can't live without your love
I can't live without your love

I can't live without your love
I can't live
