I can't tell your feeling me boy
But I see through your game
So can you erase the thought in my head
That men are all the same

You see the truth is I want it all
Cos I deserve it
And we're good whenever I call
Yeah cos fact I've heard it all before
So please be sure I'm what you need and then we'll see

Maybe I'll talk to you
Maybe I won't
Maybe I want your love
Maybe I don't (I don't)
Maybe I'll find mr right and the love of my life
Maybe
I don't know
Maybe

Should I take you seriously
That you want me to be your girl
Cos you can't be my universe boy
If I'm not gonna be your world

Baby I know just what I want
It's very simple
If your good you'll get what I got
Yeah cos fact I've heard it all before
So please be sure I'm what you need and then we'll see

Maybe I'll talk to you (talk to ya)
Maybe I won't (Maybe I won't)
Maybe I want your love (want ya)
Maybe I don't (Maybe I don't)
Maybe I'll find mr right and the love of my life
Maybe (Maybe)
I don't know
Maybe (Maybe)
Maybe I'll talk to you (oh)
Maybe I won't (I won't)
Maybe I want your love (oh)

Maybe I don't (I don't)
Maybe I'll find mr right and the love of my life (could I
find ya if I like ya)
Maybe
I don't know
Maybe (uh huh)
I won't be a fool (won't be a fool)
So don't break the rules (don't break the rules)
Be careful of what you ask for
Don't give me your heart (give me your heart)
If it's torn apart (it's torn apart)
Please don't leave me out if your unsure
See it's gotta be perfect timing (perfect timing)
And who knows maybe I found it
Could this be the true love that I need
Maybe

Watching you
Watching me
Think you got just what I need
I can be mysterious
Does that make you curious?
Yeah
I bet you think I'm naughty?
Yeah
It ain't that type of party
No
Come here to plan
Be a man
And romance somebody

Maybe I'll talk to you (Maybe I'll talk to ya!)
Maybe I won't (I won't)
Maybe I want your love (I want ya)
Maybe I don't (I don't boy)
Maybe I'll find mr right and the love of my life
Maybe
I don't know
Maybe
Maybe I'll talk to you (talk to ya)
Maybe I won't (I won't)
Maybe I want your love (want ya)
Maybe I don't (Maybe I don't)
Maybe I'll find mr right and the love of my life
Maybe (Maybe)
I don't know
Maybe (Maybe)

Maybe I'll talk to you
Maybe I won't
Maybe I want your love (fades out)
