Call me (me) bitch if you want to
I know too many like you
Who think you can just say what you want
I don't (don't) have no time for losers
Not trying to get hurt
If it's real then show me just what you got

The house
The cars
They don't impress me
The superstars
They already know me
You work too hard (too hard)
Boy that's not what I'm looking for
I'm sorry but I need more, oh!
Oh, oh, oh

If you think that
That I'm that simple
Boy your done being silly
If you want me
Give it
If you think that
That I'm that simple
Boy it just won't happen wit you boy
I'm not that simple, simple, simple
I'm not that simple, simple, simple
I'm not that simple, simple, simple
I'm not that simple, simple, simple

Don't talk if you can't say nothing nice
That can make me think twice
Of even giving you a chance of my heart
Just walk if your not playing a game
Your not gonna get what you came for
You can try but you won't get very far

Hey babe
Your name
Come on something better than
Your hot
It's plain

That's stuck in the get up
Ooh you gotta treat me like (like yeah)
Like I'm the one who makes you complete
The only girl of your dreams oh!
I'm not so simple

If you think that
That I'm that simple
Boy your done being silly
If you want me
Give it
If you think that (ooh, oh oh oh)
That I'm that simple
Boy it just won't happen wit you boy (no)

It's not who you are
It's about what's in your heart
Do you have what it takes
To break down my guard
I don't mean to hurt your feelings
But love is too hard to find
I can't be wasting my time!

Ooh, oh oh oh
Ooh, oh oh oh
Ooh, oh oh oh
Ooh, oh oh oh
Ooh, oh oh oh
Ooh, oh oh oh
I'm not so simple

If you think that (think that)
That I'm that simple (woah)
Boy your done being silly
If you want me
Give it
If you think that (that!)
That I'm that simple (ooh)
Boy it just won't happen wit you boy (just won't happen
wit you)
If you think that (no)
That I'm that simple (oh)
Boy your done being silly
If you want me (want me)
Give it
If you think that (ooh)
That I'm that simple
Boy it just won't happen wit you boy (won't happen wit
you boy)

I'm not that

Oh oh
Oh oh
I'm not so simple
Oh oh
Oh oh
I'm not so simple
Oh oh
Oh oh
I'm not so simple
Oh oh
Oh oh
I'm not so simple
