From a school ring
To a wedding ring
Is the story of our romance

From those bashful looks
Over classroom books
To a stolen kiss whenever we had the chance

From a school ring
To a wedding ring
Are those wonderful youthful times

From a teenage date
By the schoolhouse gate
To the ringing of the churchhouse chimes

I remember how we danced
At the junior ball
While the band played our favorite song

Every time we hugged and squeezed
I remember we we're teased
By the fellas who we're standin' around the hall

From a school ring
To a wedding ring
How those years in between rush through

From a school ring
To a wedding ring
To a lifetime of love with you

I remember how we danced
At the junior ball
While the band played our favorite song

Every time we hugged and squeezed
I remember we we're teased
By the fellas who we're standin' around the hall

From a school ring
To a wedding ring

How those years in between rush through

From a school ring
To a wedding ring
To a lifetime of love with you
