

The Rover Boys **"Graduation Day"**

There's a time a for joy
A time for tears
A time well treasure through the years
Well remember always
Graduation day

At the senior prom
We danced til three
And there you gave your heart to me
Well remember always
Graduation day
Though we leave in sorrow
All the joys weve known
We can face tomorrow
Knowing well never walk alone
When the ivy walls
Are far behind
No matter where our paths may wind
Well remember always
Graduation day
Well remember always
Graduation day
