You say you'll always be proud of me  
Well, I'm gonna see that you do baby  
I'll be, nobody nothin' if I do what you want me to, yeah  
Marrying now, struggle by anyway and anyhow  
Living in misery is that how you, want it to be...

No, baby let's wait  
No, baby let's wait  
We've got time.

You said you'll always be needin' me  
Well, I'm gonna see that you do baby  
I'll be somebody somethin'  
If you wait, babe I'll promise you, yeah  
Cuz' I got my pride  
Our kids gonna hold his head up high  
Nothin' like you and me, victim of...  
Poverty.

No, baby let's wait  
No, baby let's wait  
We've got time.

No, baby let's wait  
No, baby let's wait  
No, baby let's wait
