The news it came out in the First World War  
The bloody Red Baron was flying once more  
The Allied Command ignored all of it's men  
And called on Snoopy to do it again  
Was the night before Christmas and forty below  
When Snoopy went up in search of his foe  
He spied the Red Baron and fiercely they fought  
With ice on his wings he knew he was caught

REFRAIN

Christmas bells those Christmas bells  
Ringing through the land  
Asking peace of all the world  
And good will to man  
The Baron had Snoopy dead in his sights  
He reached for the trigger to put him tight  
Why he didn't shoot well we'll never know  
Or was it the bells from the village below

REFRAIN

The Baron made Snoopy fly to the right  
And forced him to land behind the enemy lines  
Snoopy was certain that this was the end

When the Baron cried out "Merry Christmas, my  
friend!"

The Baron then offered a holiday toast

And Snoopy our hero saluted his host

And then with a roar they were both on their way

Each knowing they'd meet on some other day

(Keep repeating refrain until the song fades
