Haaa ha ha ha ha!

You know what?

What?

[CHORUS]

You tickle me baby

You tickle me baby

You tickle me honey

And I don't mean maybe

You tickle me baby

When you try and tell me what to do

You must be crazy

You must be crazy

You got to be crazy

And I don't mean maybe

You tickle me baby

When you try and tell me what to do

[VERSE 1]

Well ain't nothin' you done been right

You stayed out late at night

You know you do me wrong

So you can't be here long

You may as well confess

'Cause you know I've done my best

[VERSE 2]

Well, stay away from me

You'll cry and I can see

Those tears don't mean a thing

'Cause you know you are to blame

Yes, you lost your chance

When you tried and tell me what to do

We'llll... stop

We'llll... stop

We'llll... stop

We'llll... stop

We'llll... stop

WeIII... stop

[Repeat CHORUS]

[Repeat VERSE 1]
