Sitting here so close, together
So far we're just friends, but I'm wondering whether
I, am I just imagining
You, or do you really have a thing for me
Like I think I see when I see you smile
And the smile's for me, I wanna tell you...

Hey, You, I Wanna Be Your Boyfriend
Trying to say I wanna be your number one
Hey, You, I Wanna Be Your Boyfriend
Gonna make you love me before I'm done

Late at night when I, when I can't sleep
Picture in my mind, I see you and me
I, I'm telling you what I wanna be
You, you're saying you're in love with me
And oh, it feels so good in a dream
That I know in life it's just got to be
I wanna tell you.....

(Chorus)

Bridge:

Gonna make you love me, yeah I'm
Gonna make you love me, yeah I'm
Gonna make you love me, before I'm done

(Solo)

I, am I just imagining
You, or do you really have a thing for me
Like I think I see when I see you smile
And the smile's for me, I wanna tell you...
Hey, You, I Wanna Be Your Boyfriend
Trying to say I wanna be your number one
Hey, You, I Wanna Be Your Boyfriend
Gonna make you love me, yeah I'm
Gonna make you love me, yeah I'm
Gonna make you love me before I'm done
