Baila Chiquita

Dance with us tonight

O little sister been thinking of you

Everything you been going through

The world keeps spinning oh so fast

You wanna grow up, be in the next class

Been there, done that

Baby girl, aprovecha la vida

No matter where you are in life

Little sister, dance with us tonight

Chorus:

C'mon girl, don't be shy

Move to the rhythm, baila chiquita

Be yourself and nobody else

Move to rhythm, baila chiquita

Don't you worry

Don't be in such a hurry

Everything's gonna be alright

Move to the rhythm, baila chiquita

Girl don't be shy

Oye hermanita, don't you cry

You're gonna be all grown up in no time

Follow the music you got inside

Don't miss a beat and don't try to rush by

Todos te dicen que crezcas con prisa

Vamos amiga, aprovecha la vida

No matter where you are in life

Little sister, dance with us tonight

Chorus

Don't let it fade away

Dreams you hope for someday

All that you wish and pray

Don't let it steal from your today

Dance with us tonight

Chorus

Just move to the rhythm girl

Don't be shy, yeah don't be  
Don't you worry  
Don't be in such a hurry  
Everything's gonna be alright  
Move to the rhythm, baila chiquita
