I may only be thirteen
But that doesn't mean
I haven't had my share of things unfair

I guess what I mean is that
Just for once I'd like to act my age
Instead of older

And when the world caves in on me
I may be thirteen but I can

Chorus:
Take it to the one who cares for me
Take it to the one who truly sees
Take it to the one who I believe
Will always love me
No matter what it is I'm going through
No matter what my world is coming to
You will be the one to get me through thirteen

You don't have to be lonely
You don't have to be out there
On your own and be unknown

And I guess what I mean
Is there's someone out there
Reaching out their hand
To pull you closer

And when the world caves in on me
I may be thirteen but I can
Chorus

I know that times are crazy
(Times are crazy)
Skies are hazy gray
I know that anything I face

Take it to the one who cares for me
Take it to the one who truly sees
Take it to the one who I believe
Will always love me

Chorus
