We watch the clock tick tock on Friday  
Class dismissed, and we're already on our way  
Hit the mall, hit the movies with our friends  
Head to Cammie's house, hope the weekend never  
ends

Why they call them sleepovers is beyond me  
We stay up all night, laughing, telling stories

Whoa oh  
Days goes by so fast  
Whoa oh  
Don't waste it, gotta make it last  
Whoa oh  
Close my eyes, I feel so alive  
I'm having the time of my life

When we finally fell asleep, we hit the pillows  
Started dreaming just as the sunrise said hello  
A little later we were kicking it outside  
Having so much fun under a bright blue sky

Whoa oh  
Day goes by so fast  
Whoa oh  
Don't waste it, gotta make it last  
Whoa oh  
Close my eyes I feel so alive  
I'm having the time of my life

Thank heaven for weekends, friends, and family  
Without them I don't know where I'd be
