You know, you know
But why do you
Do the things that you do?
When you where young
You said you loved everyone
But I can see inside your heart in blue

Why d'you let your love go?
Why d'you let your love just slip away?
Why d'you let your love go?
Why d'you let your love just slip away?

Oh Rose
Marry while your heart is strong
'Cause you know it won't be too long
Till your love drifts away with the wind
Your love drifts away with the wind

Well you say, you say
But how can you
Live life day by day?
When you were down
People tried to lend a hand
But you won't hear
What they have to say

Ch
Solo

Oh Rose
Why d'you let your love just slip away?
Oh Rose
Why d'you let your love just slip away?
Why d'you let your love go?
Why d'you let your love just slip away?
Why d'you let your love go?
Why d'you let your love just slip away?
Oh Rose
