It's been a whole full day
Since you left around this way
Where did you go
I haven't seen your smile
I feel it's been a while
Since the lights,
Began to glow

I'm tired and I am aching
And I haven't been faking
Things I do
I've been sitting here drinking
Sitting here thinking
Of times
Without you

I don't know where to turn
You teach and I will learn

I feel blue ooh...
I don't know what to do
When I'm stuck here without you x2
What should I do
I feel blue

I walk to streets of sorrow
I can't wait until tomorrow
What will it bring?
Will you understand?
That I want to hold your hand
You'll be my queen
If I was king

I miss your smile
And the clothes you where
Your perfume
And the colour of your hair
I miss everything you do
I live my days so free
I live my days so free
But I feel blue

Ch x2
