On a lonely night in brooklyn  
You told me you'd be mine forever  
I am the lady from New York  
Whose heart you once broke  
On a night like tonight

Can you imagine how it felt  
Did you even feel any guilt  
(oh well oh well oh well)  
your tender touch will set me free  
when you wrap me in you arms and say that you love  
me (oh yes)  
it gives me the strength to move on  
in your loving arms I'm never alone  
(alone, alone)

On a lonely night in Brooklyn  
when all hope was long gone and shattered  
you were the sun that shined on me  
and it was your love that set me free  
honestly you complete me, yes  
even if I lived a thousand years (uh huh)  
I'd always need you close and near (oh well oh well oh  
well)  
Your tender touch set me free  
When you wrap me in your arms and say  
That you love me ,yes  
It gives me the strength to move on (and on and on and  
on)  
In your loving arms im never alone (alone alone)

On a lonely night in brooklyn (ohhh)
