Mama warned me bout boys like you
And the things you'll say
When you wanna go all the way
I've heard the rumors but are they true
Do you like to play?
Cause that's what they say
When I see you on that stage
I'm blown away

My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers now
My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers
He's my hotwire boy

I can remember when I first saw you
Down on 15th and main
I lost control in every way
I got a problem because I love you all
In different ways
But I'm not to blame
Cause when I see you on that stage
I'm blown away
When I see you on that stage I'm blown away

My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers now
My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers
He's my hotwire boy

And when I see you on that stage
I'm blown away

My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers now

My heart is on fire
I'm hot, hot for hotwire
Spread this send out the flyers
He's my hotwire boy

Oh he's my hotwire boy
My hotwire boy
