I'm looking at my ceiling  
I'm looking at my walls  
I'm looking at my clock  
It's ticking on the floor  
Like it's never ticked before  
Like it's ticking inside my head  
The ticks are banging inside my head  
Make me wish that you were in my bed  
Making my head bang instead  
Like this!

Tomorrow morning, why wont you come  
And rescue me, from my misery  
Oh I can't sleep, and I can't eat, it's in my heart, it's in  
my feet, I sold my soul it's not to weak, it's in my heart  
it's in my feet...

Oh my, oh my, my oh my, my oh my  
I see you every single night  
Ur in a bed, but it's not mine, oh my, my oh my... why  
are you always, on my mind?

Ur ruining my sleep and that's not kind!  
I'm picking up my phone, phoneing party line, I'm  
talking to the girl on the other side, I ask her to be you  
and she said "that's fine!" but now she's talking dirty  
and it's just not right, doesn't she know that ur always  
polite! oh my!

I started counting sheep!  
I only got up to three!  
And then the sheep started talking  
Their looking straight at me and their saying

Ur in love with a girl and she don't love you

Ur in love with a girl and she don't love you

Ur in love with a girl and she don't love you

Oh my, oh my, my oh my, my oh my  
I see you every single night

Ur in a bed, but it's not mine, oh my, my oh my, why are  
you always, on my mind?

Do do do do do
