I ain't got No Soul  
I left you crying and talking on your phone  
Saying I ain't got no soul

And I ain't got no alcohol  
So I went out drinking  
Instead of to your home  
I ain't got no soul

All I do is try and try to make you cry  
Kick you in the shins and poke you in the eye  
It's out of my control  
I ain't got no soul

All you do is good and everything you should  
You'd pay back the devil to save me if you could  
I listen to rock and roll  
And I ain't got no soul

I ain't got no place to go  
I don't need no-one  
I'm gonna let her go  
I'm gonna let her go

Oh I did cry when I was feeling alone  
But that I took your heart  
And that's a bloody part  
That I don't own
