I'm picking up pennies  
But they don't give me any...  
Of the luck that they promise  
I aint got nothing but dreams of loving  
I'll tell you something,  
My pennies are piling up  
... but I aint got no luck...

Oh I miss you my honey,  
I wish you would phone me,  
But you aint so lonely

You go out drinking, I see you laughing  
When I'm out drinking all I do is cry

I'm such an unlucky guy...

Ohhhhh what am I to do with all this change?  
Ohhhhh sitting in my room the answers plain

Ohhh I'll take it to a slot machine in town  
Yeah turn my pennies into pounds...

Now I've got lots of money honey...  
And all of a sudden you come  
Rat tat tattin' on my door  
I don't wanna see you anymore...
