Chorus:

Boys! They drive you crazy.  
Boys! don't they drive you crazy sometimes  
Boys! they drive you crazy  
Boys! don't they drive you crazy sometimes

I knew a boy.  
He was always so annoying.  
He was everywhere I'd go,  
tried to kiss me,  
I said no.  
They're the strangest creatures I have ever seen

Chorus

I know a boy  
Who I think is really gorgeous  
But he doesn't know I'm there  
And he doesn't know I care  
They're the strangest creatures I have ever seen

Chorus

Boys are so annoying.  
They kick you on the bus.  
Then they ask you to the movies.  
Tell you you look pretty.  
They're the strangest creatures I have ever seen

Chorus
