to the barn let's meet let's go on a trail ride

let's trot through the woods got your back always on your side

there's always something to do we'll just follow you a horsewoman's work is never done we're the saddle club we have fun and adventure in the sun

to the stalls let's meet let's go do some stable chores

let's pitch let's scrub let's sweep til the stable's sparkling clean

there's always something to do we'll just follow you a horsewoman's work is never done we're the saddle club we have fun and adventure in the sun

to the show let's meet let's go show off and compete

let's jump clear round first prize take a victory lap there's always something to do
we'll just follow you
a horsewoman's work is never done
we're the saddle club (saddle club, saddle club)
we have fun and adventure in the sun

let's go we're the saddle club let's meet fun and adventure in the sun
